NARRATIVE:

Robert Prear has an extensive adult criminal history that began at the age of 18. His convictions include rape, lewd or lascivious acts on a child under 14 and failure to register as a sexual offender. He has served multiple incarcerations, the longest being a 4 year term for rape. Prear was released from state prison to the supervision of the Los Angeles County Probation Department on September 08, 2014. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in February 2015 after he absconded from post release community supervision (PRCS). Prear qualified to be released to the supervision of probation, under AB 109, because his current commitment offenses for failure to register as a sexual offender is defined as non-serious and non-violent under the California penal code. His criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
